Fixture Maintenance

Agreement

July 1, 2010 to June 30, 2013

SCOPE OF WORK

The scope and classification of work to be performed by employees covered by this Agreement shall include: the cleaning of all types of lighting fixtures; replacement of lamps, starters, lamp holders, ballasts and lenses; cleaning of luminous ceilings and all types of diffused area and ceiling lighting; the installation of reflectors and approved pre-manufactured fixture harnesses between luminaires; wall switch and ceiling occupancy and vacancy sensors, photo controls and time switches.

This Agreement does not include the installation or removal of lighting fixtures or any other work that would infringe the scope of work already established through agreements with any I.B.E.W. Local Union in any branch of the trade.

The retrofitting and upgrading of lighting fixtures is permitted as long as they are fed by existing power and mounted within 3 feet of their original location. This work does not include the installation of branch circuits or the alteration of existing branch circuits.
